PORTFOLIO FEATURES

Optimal diversification.

14 unique portfolios provide investors with the best blend of the best funds, offering diversification by asset class, geography, market capitalization and management style in a fund-of-funds wrap structure.

Maximum choice.

There are five investment portfolios providing a different risk return profile. These same profiles also exist with five income portfolios using a different fund mix. There are also two pure equity portfolios.

Leading portfolio managers.

Gain access to well-known portfolio managers with proven track records for performance and risk management. Each has been selected based on their complementary management styles.

100% 3rd party funds.

Meritage Portfolios have been developed emphasizing complete objectivity and total transparency.

Quantitative selection process.

We selected 23 funds from a universe of thousands using our Select Rating System® - a purely quantitative process.

Independent monitoring.

To ensure complete objectivity and best practices, all Meritage selection processes and activities are approved and monitored by Aon Consulting.

Auto-rebalancing.

Meritage Portfolios are rebalanced on an ongoing basis to fit the initial selection and prevent overexposure in any specific asset category.
