**PORTFOLIO FEATURES**
**Optimal diversification.**

14 unique portfolios provide investors with the best blend of the best funds, offering diversification by asset class, geography, market capitalization and management style in a fund-of-funds wrap structure.

**Maximum choice.**

There are five investment portfolios providing a different risk return profile. These same profiles also exist with five income portfolios using a different fund mix. There are also two pure equity portfolios.

**Leading portfolio managers.**

Gain access to well-known portfolio managers with proven track records for performance and risk management. Each has been selected based on their complementary management styles.

**100% 3rd party funds.**

Meritage Portfolios have been developed emphasizing complete objectivity and total transparency.

**Quantitative selection process.**

We selected 23 funds from a universe of thousands using our Select Rating System® - a purely quantitative process.

**Independent monitoring.**

To ensure complete objectivity and best practices, all Meritage selection processes and activities are approved and monitored by Aon Consulting.

**Auto-rebalancing.**

Meritage Portfolios are rebalanced on an ongoing basis to fit the initial selection and prevent overexposure in any specific asset category.
